# CARLL APPLE

LAST SEEN IN

SACO on Rte 112

YORK COUNTY!

### *DESCRIPTION:*

The Carll apple originated near the location of the old "Heath Meeting House" in Saco. It was discovered or developed by Elias Carll, who was born in 1787. All we know is that the Carll apple was "a superior fruit, highly prized, and sought after for years." The Heath Meeting House was located on what is now Rte 112 in North Saco. There is a small church where the Meeting House might have been.
