Common Ground Country Fair (CGCF)
Controlled Substances & Alcohol Policy

A. No federally controlled substance is allowed for onsite retail sales, demonstrations, display or sampling on the Fairgrounds. No alcohol is allowed for onsite retail sales or sampling on the Fairgrounds.

B. MOFGA MC3 certified CBD derived products from hemp may be sold by state licensed vendors. Maine does not allow the sale of CBD infused food products or the sale of CBD products to anyone under the age of 18.

C. CGCF vendors who are state licensed to sell products derived from hemp, may take orders and pre-payment for later shipping. Fairgoers may place an order and pay for their purchase. Vendors are responsible for ensuring that any customer is legally allowed to make the purchase. Vendors are then obligated to fulfill the order.

D. Any recreational use of a controlled substance or alcohol is addressed by the General Guidelines of the Fair, to be in compliance with Maine state law.

MOFGA Board Approved: 8/8/19
