

Why Buy Certified Organic?

MOFGA Certified Organic:

- **SUPPORTS** our local economies and rural communities
- **REDUCES** toxic chemicals in our environment and in our bodies
- **PRESERVES** pollinator habitat, promotes biodiversity and builds healthy soil
- **Is PRODUCED without GMOs:** genetically modified organisms are NOT permitted in organic production
- **Is HUMANE:** all eggs, meat and dairy come from animals raised without antibiotics or growth hormones
- **ASSURES** integrity and transparency through rigorous third party inspections

Support the over 500 MOFGA Certified Organic producers committed to the wellbeing of Maine's environment, people and economies.
