

MAINE ORGANIC FARMERS AND GARDENERS

Dedicate a Stone Paver at MOFGA

Dedicate a stone paver, made of Englishman's Bay granite from a coastal Maine quarry, at MOFGA to support our year-round work creating a food system that is healthy and fair for all of us.

In 2024, we installed a stone-paved patio area at MOFGA's Common Ground Education Center, near the entrance to the Fair office, for a wheelchair accessible picnic table. This accessible area for gathering and rest will be available to year-round visitors to our grounds and to fairgoers during the Common Ground Country Fair. The stone will be engraved with your message and placed in the patio during the last week in October 2024.

To learn more about dedicating a paver, contact 207-568-6007 or membership@mofga.org.

Your name: _____

Mailing address: _____

Phone: _____ Email: _____

Size of paver dedication (please check one):

- Size 1 - 12x12" (\$600) - engraving up to 50 letters
