

Processing Affidavit: Verification of Organic Processing Practices

Required for all Common Ground Country Fair vendors applying to use certified organic ingredients intended for consumption that are not sourced from a Certified Organic processor/handler and/or not on the producer's USDA list of Certified Organic products.

PART A: Applicant: *Complete and sign Part A.*

If you are processing your own organically processed, uncertified products, then please complete Part B. If using a third-party processor, then forward to your processor for them to complete Part B.

I affirm that I am sourcing the food products listed below from the processor named in Part B.

Indicate food product(s) to be processed (and ingredients) for consumption at the Common Ground Country Fair:

Food Product(s)

Vendor's Name: _____

Vendor's Signature _____ Date _____

PART B: Processor: *Please complete and sign Part B, then forward to the MOFGA office.*

I have agreed to process the products listed above for the Common Ground Country Fair vendor/applicant named above. I affirm that I am processing/handling these ingredients in accordance with the organic practices as prescribed by the USDA National Organic Program (NOP) standards, *including cleaning and sanitizing protocols and no cross contamination and commingling with non-certified organic ingredients.*

I intend for MOFGA to rely upon this for verification of my organic processing practices solely with respect to the products listed above and solely for their use at the Common Ground Country Fair by the vendor named above. I understand that a representative of MOFGA may visit my production facility to verify organic processing practices.
